

### **Using the *Digital Mobile Key***

The *Digital Mobile Key* associates a mobile phone number with the civil identification number (NIC - *Número de Identificação Civil*) for Portuguese citizens and with a passport number for foreign national, enabling secure electronic signatures for PDF documents in Portugal.

To use the *Digital Mobile Key*,

- Go to: [www.authenticacao.gov.pt](http://www.authenticacao.gov.pt)
- Choose the "Digital Mobile Key"
- Choose the desired method (mobile phone);
- Enter the mobile phone number;
- Enter the PIN code of the Digital Mobile Key that you have defined in your registration;
- Click on "Authenticate";
- Enter the security code sent by SMS to your mobile phone;
- Click on "Confirm".
